

ALL MY LIFE'S A CIRCLE_(BAR)

4/4 1...2...1234

Intro:

CHORUS:

All my life's a circle, sunrise and sun-down;

The moon rolls thru the nighttime till the daybreak comes a-round.

All my life's a circle but I can't tell you why;

The seasons spinning round again, the years keep rollin' by.

Coda: repeat line, (start with Dm7), end on C

It seems like I've been here be-fore, I can't remember when;

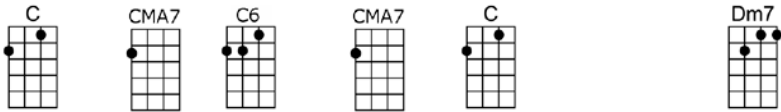

But I have this funny feeling that we'll all get to-gether a-gain.

No straight lines make up my life and all my roads have bends;

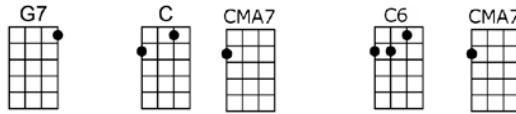

There's no clear-cut be-ginnings and so far no dead-ends.

Chorus (All my life's.....)

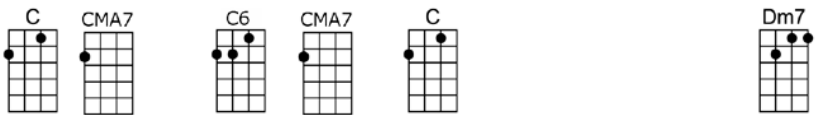

p.2 All My Life's a Circle

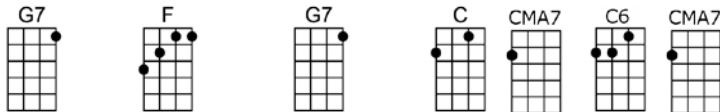

I found you a thousand times, I guess you done the same;

But then we lose each other, it's like a children's game;

As I find you here a-gain a thought runs through my mind;

Our love is like a circle, let's go 'round one more time.

Chorus (All my life's.....)
