# RHYTHM OF THE RAIN

4/4 1...2...1234

Listen to the rhythm of the falling rain telling me just what a fool I've been

I wish that it would go and let me cry in vain, and let me be a-lone a-gain

The only girl I care about has gone away, looking for a brand new start

But little does she know that when she left that day, a-long with her she took my heart

Rain please tell me now does that seem fair

For her to steal my heart away when she don't care

I can't love another when my heart's some-where far a-way

The only girl I care about has gone away

Looking for a brand new start

But little does she know that when she left that day

A-long with her she took my heart
