ALL OUT OF LOVE_(BAR)- Graham Russell/Clive Davis

4/4 1...2...1234

Intro: Chords of refrain

I'm lyin' alone with my head on the phone, thinkin' of you 'til it hurts

I know you hurt too, but what else can we do, tormented and torn a-part.

I wish I could carry your smile in my heart, for times when my life seems so low.

It would make me believe what to-morrow could bring,

When to-day doesn't really know, doesn't really know.

Refrain:

I'm all out of love, I'm so lost without you, I know you were right, believin' for so long.

I'm all out of love, what am I without you, I can't be too late to say that I was so wrong.

I want you to come back and carry me home, a-way from these long, lonely nights.

I'm reachin' for you. Are you feelin' it too? Does the feelin' seem oh, so right?

p.2. All Out of Love

And what would you say if I called on you now, and said that I can't hold on?

There's no easy way, it gets harder each day, please love me or I'll be gone, I'll be gone.

I'm all out of love, I'm so lost without you, I know you were right, believin' for so long.

I'm all out of love, what am I without you, I can't be too late to say that I was so wrong.

Oooo....What are you thinking of,

what are you thinking of

What are you thinking of,

what are you thinking of

I'm all out of love, I'm so lost without you, I know you were right, believin' for so long.

I'm all out of love, what am I without you, I can't be too late, I know that I was so wrong.

I know that I was so wrong
