p.2. Always and Forever

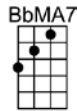

There'll always be sunshine

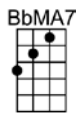

when I look at you

It's something I can't explain

just the things that you do

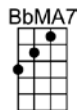

And if you get lonely,

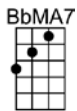

phone me and take

A second to give to me

that magic you make and

Everyday, love me your own special way, melt all my heart a-way with a smile

Take time to tell me, you really care, and we'll share to-morrow,

to-gether

I'll always love you

for-ever
