

AN OCCASIONAL MAN (BAR)-Hugh Martin/Ralph Blane

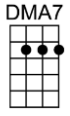

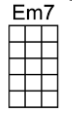

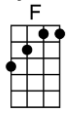

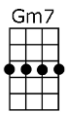

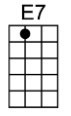

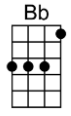

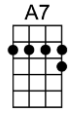

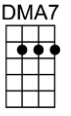

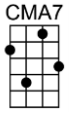

3/4 123 12 (without intro)

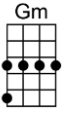

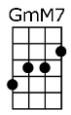

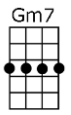

Intro: |  |  |  |  |

   
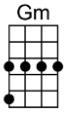

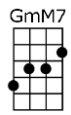

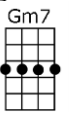

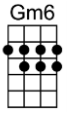

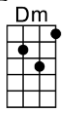

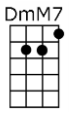

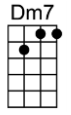

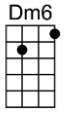

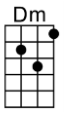

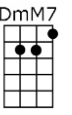

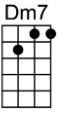

I've got an island in the Pa-cific, and everything about it is ter-rific

       
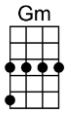

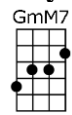

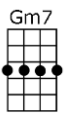

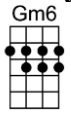

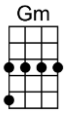

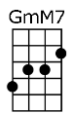

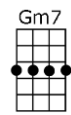

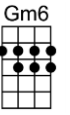

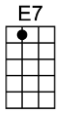

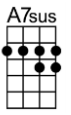

I've got the sun to tan me, palms to fan me, and an occasional man

   
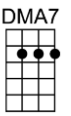

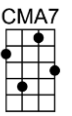

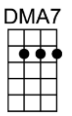

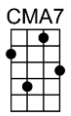

I love my island, it's very lazy, if I should ever leave it I'd be crazy

         
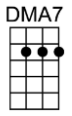

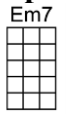

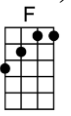

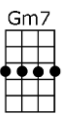

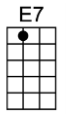

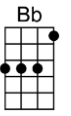

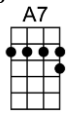

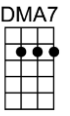

I've got pa-payas, peaches, sandy beaches, and an oc-casional man

   
When I go swimming

           
I am always dressed in style

          
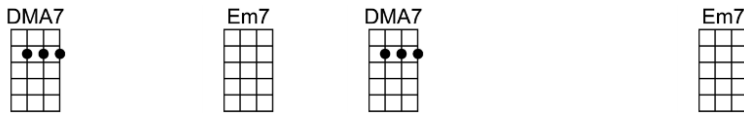

'Cause when I go swimming, I just wear a great big smile

   
My little island is made for pleasure, and in the cool of evening it's a treasure

        
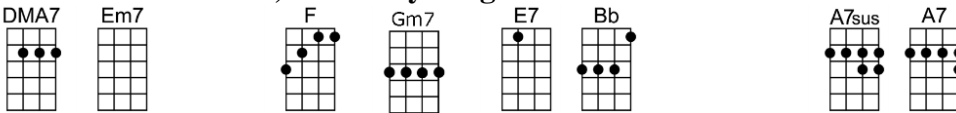

And when the day grows later, what is greater than an oc-casional (4/4) man

My little island is such a beauty, you may for-get to heed the call of duty

But if you give a slip to your ship, miss your trip, take a tip and blame-

An occasional dame!
