**Intro:**

Ev - ry morn' my memories stray

Ac-ross the sea where flying fishes play

And as the night is falling,

I find my-self recalling that blissful, all-enthraling day

I found my love in Avalon, be-side the bay

I left my love in Avalon, and sailed a - way

I dream of her and Avalon from dusk 'til dawn

And so I think I'll travel on to Av - a - lon

## p2. Avalon

Just be - fore I sailed a-way

She said the word I longed to hear her say

I ten - der - ly car-essed her, close to my heart I pressed her

Upon that golden yester-day

I found my love in Avalon, be-side the bay

I left my love in Avalon, and sailed a - way

I dream of her and Avalon from dusk 'til dawn

And so I think I'll travel on to Av - a - lon to Av - a - lon
