

# BABY, YOU'VE GOT WHAT IT TAKES-Otis/Stein/Brook Benton

4/4 1...2...123 (without intro)

**Intro:**         (4 beats each)

Well now it takes more than a robin to make the winter go

And it takes two lips for fire to melt away the snow

Well it takes two hearts that are cookin' to make a fire grow

And baby, you've got what it takes

You know it takes alot of kissin' to make a romance sweet

Oh it takes a lot of lovin' to make my life complete

Oh well it takes somebody special to knock me off my feet

And baby, you've got what it takes

**p.2. Baby, You've Got What It Takes**

**I said 0000000000000000.....0000000000000000**

**You know you've got just what it takes\**

**Because it takes more effort to stay away from you**

**And it takes more than a lifetime to prove that I'll be true**

**But it takes somebody special to make me say I do, and baby, you've got what it takes**

**And baby, you've got what it takes. And baby, you've got what it takes.**
