**Intro: last two lines of song**

Long, long ago, someone I know had a little red canoe, in it room for only two.

Love found its start, sang in my heart, and like a flower grew....

Drifting with the current down a moonlit stream

While above the Heavens in their glory gleam

And the stars on high twinkle in the sky.

Seeming in a Paradise of love divine

Dreaming of a pair of eyes that looked in mine.

Beautiful O-hio, in dreams again I see

Visions of what used to be
