

BIRDS AND THE BEES_(BAR)

Let me tell ya 'bout the birds and the bees, and the flowers and the trees,

And the moon up above, and a thing called love.

Let me tell ya 'bout the stars in the sky, and a girl and a guy,

And the way they could kiss, on a night like this.

When I look into your big brown eyes, it's so very plain to see,

That it's time you learned about the facts of life, starting from A to Z.

Let me tell ya 'bout the birds and the bees, and the flowers and the trees,

And the moon up above, and a thing called love,

And a thing called love, and a thing called love
