

SING E

# BOTH SIDES NOW (BAR)-Joni Mitchell

4/4 1...2...1234

**Intro:** |  |  |  |  | (X2)

 |  |  |  |  | 

Rows and flows of angel hair, and ice cream castles in the air

 |  | 

And feather canyons everywhere, I've looked at clouds that way

 |  |  |  |  | 

But now they only block the sun, they rain and snow on every -one

 |  | 

So many things I would have done, but clouds got in my way

 |  |  |  |  |  | 

I've looked at clouds from both sides now, from up and down, and still some-how

 |  |  |  |  |  |  |  | 

It's clouds' il-lusions I recall, I really don't know clouds at all

 |  |  |  |  | 

Moons and Junes and ferris wheels, the dizzy dancing way you feel

 |  | 

As every fairy tale comes real, I've looked at love that way

 |  |  |  |  | 

But now it's just another show, you leave 'em laughing when you go

 |  | 

And if you care, don't let them know, don't give yourself a-way

**p.2. Both Sides Now**

**I've looked at love from both sides now, from give and take, and still some-how**

**It's love's il-lusions I recall, I really don't know love at all**

**Tears and fears and feeling proud, to say "I love you" right out loud**

**Dreams and schemes and circus crowds, I've looked at life that way**

**But now old friends are acting strange, they shake their heads, they say I've changed**

**Well something's lost, but something's gained in living every day**

**I've looked at life from both sides now, from win and lose and still some-how**

**It's life's il-lusions I recall, I really don't know life at all**

**It's life's il-lusions I recall, I really don't know life at all**
