   and the sky is gray

I've been for a walk    on a winter's day   

I'd be safe and warm,    if I was in L.A.   

California dreamin'     on such a winter's day  

Stopped into a church    I passed a-long the way   

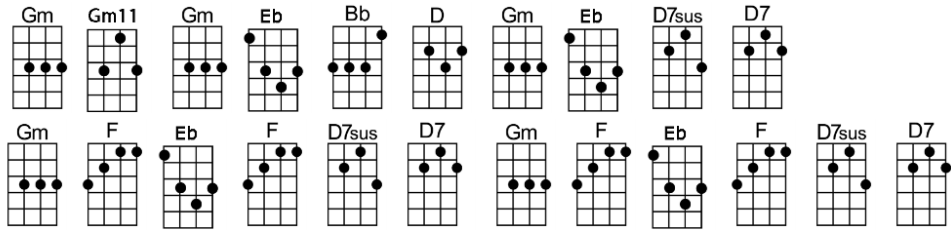

Well, I got down on my knees,    and I be-gan to pray   

You know the preacher likes the cold,    he knows I'm gonna stay   

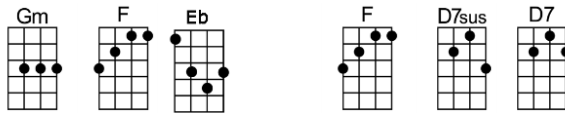

California dreamin'     on such a winter's day  

**p.2. California Dreamin'**
