CANDY KISSES-George Morgan

4/4 1234 12 (without intro)

Intro: |  |  |  |  |  |

  wrapped in paper,  mean more to you than any of mine

      

Candy kisses, wrapped in paper, you'd rather have them any old time

   
You don't mean it when you whisper those sweet love words in my ear

     
Candy kisses, wrapped in paper, mean more to you than mine do, dear

Instrumental verse

    
I built a castle out of dreams, dear. I thought that you were building too

      

Now my castles all have fallen, and I am left a-lone and blue

   
Once my heart was filled with gladness, now there's sadness, only tears

Candy kisses, wrapped in paper, mean more to you than mine do, dear

  
Mean more to you than mine do, dear
