

CAN'T TAKE MY EYES OFF OF YOU

4/4 1234 12 (without intro)

Intro: / / // / / / /

You're just too good to be true, can't take my eyes off of you
 Pardon the way that I stare, there's nothing else to compare

You'd be like heaven to touch, I wanna hold you so much
 The sight of you leaves me weak, there are no words left to speak

At long last love has arrived, and I thank God I'm alive
 But if you feel like I feel, please let me know that it's real

You're just too good to be true, can't take my eyes off of you (repeat-2nd verse)
 You're just too good to be true, can't take my eyes off of you

Instrumental interlude:

p.2. Can't Take My Eyes Off of You

I love you, baby, and if it's quite all right, I need you, baby

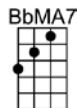

To warm the lonely night, I love you baby, trust in me when I say

Oh pretty baby, don't bring me down, I pray, oh pretty baby,

Now that I've found you, stay, and let me love you, baby, let me love you

You're just too good to be true, can't take my eyes off of you

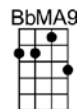

You'd be like heaven to touch, I wanna hold you so much

At long last love has arrived, and I thank God I'm alive

You're just too good to be true, can't take my eyes off of you

You're just too good to be true, can't take my eyes off of you
