

CAN YOU PICTURE THAT?_(BAR)

4/4 1...2...1234

Intro:     **Oh YEAH!**    

 **or** 

Everybody's lover, everybody's brother, I wanna be your lifetime friend

Crazy as a rocket, nothin' in my pocket, I keep it at the rainbow's end

I never think of money, I think of milk 'n honey, grinnin' like a Cheshire cat

I focus on the pleasure, somethin' I can treasure, can you picture that? Can you picture that?

    (X2)

Let me take your picture, add it to the mixture, there it is I got you now

Really nothin' to it, anyone can do it, it's easy and we all know how

Now begins the changin', mental rearrangin', nothing's really where it's at

      

Now the Eiffel Tower's holdin up a flower, I gave it to a Texas cat

p.2. Can You Picture That

Fact is there's nothin' out there you can't do, yeah, even Santa Claus believes in you

Beat down the walls, begin, believe, be, begat

Be a better drummer, be an up and comer Can you picture that? Can you picture that

(X2)

All of us are winnin, pickin and a-grinnin, Lordy, but I love to jam

Jelly-belly gigglin', dancin' and a-wigglin', honey that's the way I am

Lost my heart in Texas, Northern lights affect us, I keep it underneath my hat

Aurora Borealis, shining down on Dallas, can you picture that? Can you picture that?

Can you picture? You gotta see it in your mind. Can you picture? You know it's quick and easy to find

Can you picture? You don't have to buy a frame. Can you picture? Can you picture that? (X2)

Use it if you need it, don't forget to feed it. Can you picture that?
