Intro: |  |  |  |  |  |  | **(X2)**

Night and stars above that shine so bright, the mystery of their fading light

That shines upon our Cara-van

Sleep upon my shoulder as we creep, across the sands, so I may keep

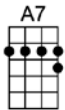

This memory of our Cara-van

This is so ex-citing, you are so in-viting,

Resting in my arms, as I thrill to the magic charms of..

You, beside me here beneath the blue, my dream of love is coming true

Within our desert Cara-van.
