# COME MONDAY (BAR)-Jimmy Buffett

4/4 1...2...1234

Intro: |  |  |  |  | (X2)

Headin' up to San Francisco for the Labor Day weekend show.  
Yes, it's been quite a summer. Rent-a-cars and west bound trains.

I've got my hushpuppies on, I guess I never was meant for glitter rock and roll.  
And now you're off on vacation, something you tried to explain.

And, Honey I didn't know that I'd be missing you so.  
And, Darling it's I love you so, that's the reason I just let you go.

Come Monday it'll be all right. Come Monday I'll be holding you tight.

                                    

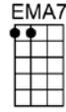

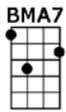

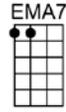

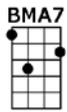

1. I spent four lonely days in a brown L.A. haze and I just want you back by my side (2nd verse)

                                    

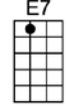

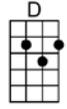

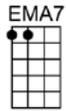

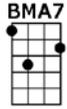

2. I spent four lonely days in a brown L.A. haze and I just want you back by my side

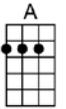

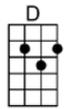

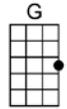

**p.2. Come Monday**

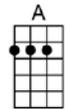

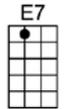

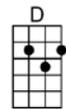

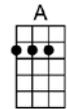

I can't help it honey, you're that much a part of me now.

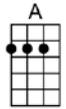

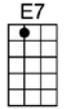

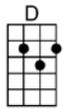

Remember that night in Montana when we said there'd be no room for doubt.

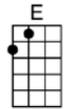

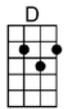

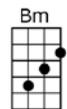

Interlude:

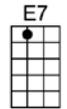

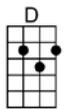

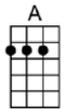

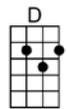

I hope you're en-joying the scenery, I know it's pretty up there.

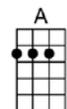

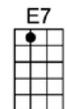

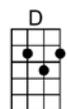

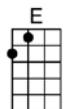

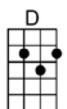

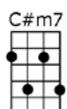

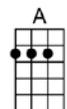

We can go hiking on Tuesday, with you I'd walk anywhere.

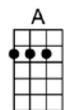

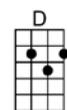

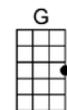

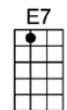

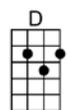

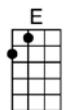

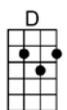

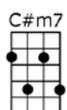

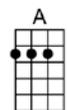

California has worn me quite thin, I just can't wait to see you again.

Come Monday it'll be all right. Come Monday I'll be holding you tight.

I spent four lonely days in a brown L.A. haze and I just want you back by my side
