# CRAZY LOVE<sub>(BAR)</sub>-Van Morrison

4/4 1...2...1234

I can hear her heart beatin', from a thousand miles

Yeah, and her hair runs open, every time she smiles

And when I come to her, that's where I be-long

Yeah, and I run into her, like a river song

She give me love, love, love, love, crazy love

She give me love, love, love, love, crazy love

She got a fine sense of humor, when I'm feelin' low-down

Yeah, when I come to her, when the sun goes down

Take a-way my troubles, take away my grief

Take away my heartache, you know, in the night, like a thief

p.2. Crazy Love

She give me love, love, love, love, crazy love

She give me love, love, love, love, crazy love

Yeah, and I need her in the daytime, yeah, and I need her in the night

Yeah, and I want to throw my arms a-round her

And kiss and hug her, kiss and hug her tight

Yeah, when I'm returning from so far a-way

She gives me some sweet lovin', brighten up my day

Yeah, and it makes me righteous, and it makes me whole

Yeah, and it makes me mellow, down to my soul

She give me love, love, love, love, crazy love

She give me love, love, love, love, crazy love (repeat refrain)
