

DEEP PURPLE (Bar)-Pete DeRose/Mitchell Parish

4/4 1234 12 (without verse)

Verse:

The sun is sinking low behind the hill.

I loved you long a-go, I love you still.

A-cross the years you come to me at twi - light,

To bring my love's old thrill.

When the deep purple falls, over sleepy garden walls,

And the stars begin to flicker in the sky

Through the mist of a memory, you wander back to me,

Breathing my name with a sigh.

p.2. Deep Purple

In the still of the night, once a-gain I hold you tight,

Though you're gone, your love lives on when moonlight beams.

And as long as my heart will beat, lover, we'll always meet,

Here in my deep purple dreams.

Instrumental verse

In the still of the night, once a-gain I hold you tight,

Though you're gone, your love lives on when moonlight beams.

And as long as my heart will beat, lover, we'll always meet,

Here in my deep purple dreams.
