

SING G#

# DON'T LET THE SUN CATCH YOU CRYIN' (BAR)

4/4 1...2...1234

**Intro:**   X2

Don't let the sun catch you cryin', the night's the time for all your tears

Your heart may be broken tonight, but tomorrow in the morning light

    

Don't let the sun catch you cryin'

        

The night-time shadows disappear.

And with them go all your tears

For the morning will bring joy for every girl and boy

      

So don't let the sun catch you cryin'

We know that cryin's not a bad thing,

but stop your cryin' when the birds sing

        

It may be hard to discover

that you've been left for another

But don't forget that love's a game, and it can always come a-gain

Oh don't let the sun catch you cryin'

Don't let the sun catch you cryin', oh no, oh, oh, oh,
