If you wake up, and don't want to smile, if it takes just a little while

      
Open your eyes, and look at the day, you'll see things in a different way

       
Don't stop thinkin' about tomorrow, don't stop, it'll soon be here

     (    ) X2  
It'll be here, better than before, yesterday's gone, yesterday's gone

       
Why not think about times to come, and not a-bout the things that you've done?

      
If your life was bad to you, just think what to-morrow will do

## p.2. Don't Stop

Don't stop thinkin' about tomorrow, don't stop, it'll soon be here

It'll be here, better than before, yesterday's gone, yesterday's gone

## Instrumental verse

All I want is to see you smile, if it takes just a little while

I know you don't be-lieve that it's true, I never meant any harm to you

Don't stop thinkin' about tomorrow, don't stop, it'll soon be here

It'll be here, better than before, yesterday's gone, yesterday's gone

## Repeat refrain

Ooh,

don't you look back,

(repeat, fade)
