4/4 1234 123

Intro: |  |  |  |  |  |  |  |  |

Just a small town girl, livin' in a lonely world,

She took the midnight train goin' anywhere

   

Just a city boy, born and raised in South Detroit,

   

He took the midnight train goin' anywhere

Interlude:        

A singer in a smoky room, the smell of wine and cheap perfume

For a smile they can share the night, it goes on and on, and on, and on

Stran-gers, wait - in', walkin' down the boulevard, their sha-dows search -in' in the night

Street-lights, peo - ple liv-in' just to find emotion,

Hi - din' some-where in the night

p.2. Don't Stop Believin'

Interlude:

Workin' hard to get my fill, everybody wants a thrill

Payin' anything to roll the dice just one more time

Some'll win, some will lose, some were born to sing the blues

Oh, the movie never ends, it goes on and on, and on, and on

Stran-gers, wait - in', walkin' down the boulevard, their sha-dows search -in' in the night

Street-lights, peo - ple liv-in' just to find emotion,

Hi - din' some-where in the night

Interlude:

Don't stop be-lievin', hold on to that feelin', streetlight people

Don't stop be-lievin', hold on, streetlight people (fade)
