# DOWNTOWN w.m. Tony Hatch

4/4 1...2...1234

**Intro:** |  |  |  |  | (X2)

When you're a-lone and life is making you lonely you can always go-    down-town  
 Don't hang a-round and let your problems sur-round you there are movie shows    down-town

When you've got worries, all the noise and the hurry seems to help I know-    down-town  
 Maybe you know some little places to go to where they never close    down-town

    

Just listen to the music of the traffic in the city,  
 Just listen to the rhythm of a gentle bossa nova,

        

Linger on the sidewalk where the neon signs are pretty, how can you lose?  
 You'll be dancing with it too be-fore the night is over, happy again.....

## CHORUS:

The lights are much brighter there you can for-get all your troubles, forget all your cares and go

1. Down-town things'll be great when you're, down-town, no finer place, for sure

                    

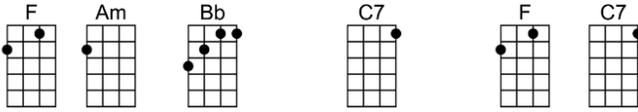

Down-town everything's waiting for you    (2nd verse)  
 1234    1234

**p.2. Downtown**

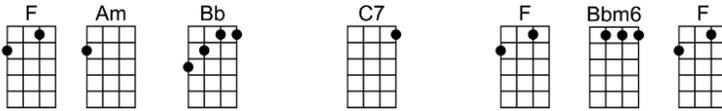

**2. Down -town where all the lights are bright, down-town waiting for you tonight**

**Down- town you're gonna be alright now**

**Down -town where all the lights are bright, down-town waiting for you tonight**

**Down- town you're gonna be alright now**
