Interlude

p.2. Drift Away

And when my mind is free, you know a melody can move me

And when I'm feelin' blue, the guitar's comin' through to soothe me

Thanks for the joy that you've given me, I want you to know, I believe in your song

And rhythm, and rhyme, and harmon-y, you help me along, makin' me strong

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Oh, give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away

Give me the beat boys and free my soul, I wanna get lost in your rock and roll, and drift away
