

# THE END OF THE WORLD

4/4 1...2...1234

**Intro:**     (2 beats each)

     
 Why does the sun go on shining? Why does the sea rush to shore?

       
 Don't they know it's the end of the world, 'cause you don't love me any more?

     
 Why do the birds go on singing? Why do the stars glow a-bove?

        
 Don't they know it's the end of the world? It ended when I lost your love.

     
 I wake up in the morning and I wonder why everything's the same as it was.

      
 I can't understand, no, I can't understand how life goes on the way it does.

     
 Why does my heart go on beating? Why do these eyes of mine cry?

        
 Don't they know it's the end of the world? It ended when you said good-bye.

     
 Why does my heart go on beating? Why do these eyes of mine cry?

           
 Don't they know it's the end of the world? It ended when you said good-bye.
