

EVERY BREATH YOU TAKE - Sting

4/4 1...2...1234

Intro: |  |  | |  |  | |  |  |  |

Every breath you take, every move you make

Every bond you break, every step you take, I'll be watching you

Every single day, every word you say

Every game you play, every night you stay, I'll be watching you

Oh, can't you see, you be-long to me. How my poor heart aches, with every step you take

Every move you make, every vow you break

Every smile you fake, every claim you stake, I'll be watching you

p.2. Every Breath You Take

Since you've gone I've been lost without a trace, I dream at night, I can only see your face

I look around, but it's you I can't re-place, I feel so cold, and I long for your em-brace

I keep crying baby, baby please,

Interlude:

Oh, can't you see, you be-long to me. How my poor heart aches, with every step you take

Every move you make, every vow you break

Every smile you fake, every claim you stake, I'll be watching you

Every move you make, every step you take, I'll be watching you

I'll be watching you,

I'll be watching you

(Repeat and fade)
