

# EVERYTHING MUST CHANGE - Bernard Ighner

4/4 1234 12 (without intro-slowly)

**Intro:**

(4 beats each)

Everything must change, nothing stays the same.

Everyone will change, no one stays the same

The young become the old, and mysteries do un-fold,

'Cause that's the way of time, nothing and no one goes un-changed

There are not many things in life you can be sure of

Except rain comes from the clouds, sun lights up the sky, and hummingbirds do fly

**p.2. Everything Must Change**

**Winter turns to spring, a wounded heart will heal**

**But never much too soon, yes, everything must change.**

**The young become the old, and mysteries do un-fold,**

**'Cause that's the way of time, nothing and no one goes un-changed**

**There are not many things in life you can be sure of**

**Except rain comes from the clouds, sun lights up the sky, and hummingbirds do fly**

**Rain comes from the clouds, sun lights up the sky, and hummingbirds do fly**

**Rain comes from the clouds, sun lights up the sky, and music, music makes me cry**
