Intro: |  |  |  |  |

The first time ever I saw your face, I thought the sun rose in your eyes

And the moon and stars were the gifts you gave, to the dark and the empty skies, my love,

To the dark and the empty skies

The first time ever I kissed your mouth, I felt the earth move in my hand

Like the trembling heart of a captive bird. that was there at my com-mand, my love,

That was there at my com-mand

The first time ever I lay with you, and felt your heart beat close to mine

I knew our joy would fill the earth, and last 'til the end of time, my love,

And last 'til the end of time
