# FOOL ON THE HILL (BAR)-Paul McCartney

4/4 1...2...1234

Day after day, a-lone on the hill, the man with the foolish grin is keeping perfectly still

Nobody wants to know him, they can see that he's just a fool, and he never gives an answer

But the fool on the hill sees the sun going down,

And the eyes in his head see the world spinning 'round

Well on the way, his head in a cloud, the man of a thousand voices talking perfectly loud

Nobody ever hears him, or the sound he appears to make, and he never seems to notice

But the fool on the hill sees the sun going down,

And the eyes in his head see the world spinning 'round

Nobody seems to like him, they can tell what he wants to do, and he never shows his feelings

**p.2. Fool On the Hill**

**But the fool on the hill sees the sun going down,**

**And the eyes in his head see the world spinning 'round**

**But he never listens to them, he knows that they're the fool,**

**and they don't like him**

**But the fool on the hill sees the sun going down,**

**And the eyes in his head see the world spinning 'round**

**Outro:**
