

GIMME A LITTLE KISS(BAR)-Maceo Pinkard

4/4 1...2...1234

Intro: | | | | | | | | |

| | | | | | | | |

Gimme a little kiss, will you, huh? Whadda ya gonna miss, will you, huh?

| | | | | | | |

Gosh oh gee, why do you re-fuse? I can't see what you're gonna lose.

| | | | | | | |

Gimme a little squeeze, will you, huh? Why do you wanna make me blue?

| | | |

I wouldn't say a word if I were asking for the world,

| | | |

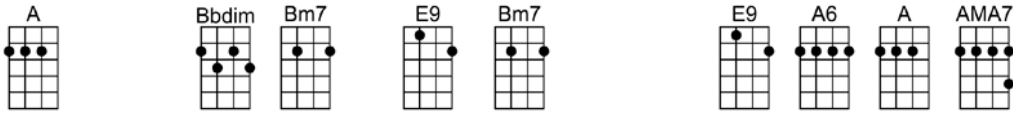

But what's a little kiss between a fella and his girl?

| | | | | | | |

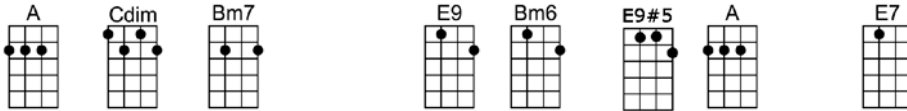

Gimme a little kiss, will you, huh, and I'll give it right back to you.

Instrumental Verse

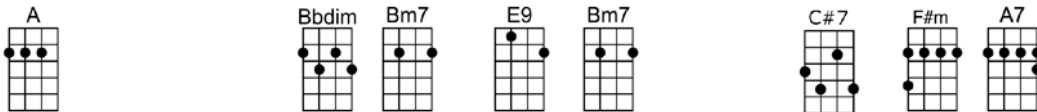

p.2. Gimme a Little Kiss

Gimme a little kiss, will you, huh? Must I go on like this, will you, huh

Once a-gain, a plea I'm gonna make, tell me when do I get a break

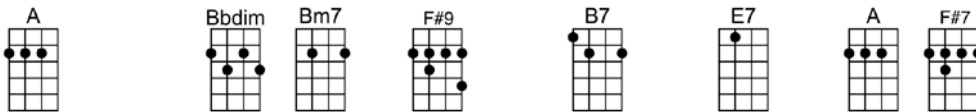

Say that you're givin' in, will you huh, anything that you ask I'll do

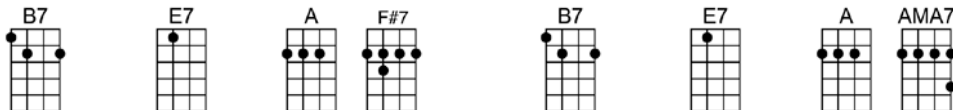

I'll take you for a little ride, where we can be a-lone,

And once you kiss me, you will never think of walking home

Give me a little kiss, will you, huh, or I'll steal about ten from you,

Or I'll steal about ten from you, yes, I'll steal about ten from you.
