Good-night, my some-one, good -night, my love

 |  |  |  | 

Sleep tight, my some-one, sleep tight, my love

 |  |  |  |  |  | 

Our star is shining its brightest light, for good-night, my love, for good-night

 |  |  |  |  | 

Sweet dreams be yours, dear, if dreams there be

 |  |  |  | 

Sweet dreams to car-ry you close to me

 |  |  |  |  |  |  | 

I wish they may and I wish they might, now good-night, my someone, good-night.

p.2. Goodnight, My Someone

True love can be whispered from heart to heart, when lovers are parted, they say

But I must de-pend on a wish and a star, as long as my heart doesn't know who you are

Sweet dreams be yours, dear, if dreams there be

Sweet dreams to car-ry you close to me

I wish they may and I wish they might, now good-night, my someone, good-night.

I wish they may and I wish they might, now good-night, my someone, good-night.
