4/4 1234 12 (without intro)

Intro: |  |  |  |  | (X4)

In the mid - night, moon-light hour, I'll be walkin' a long and lonely mile

And eve - ry time I do, I keep seein' this picture of you

Here comes my ba - by, here she comes now

And it comes as no sur-prise to me, with another guy

Well, here comes my ba - by, here she comes now

Walkin' with a love, with a love that's oh, so fine

Never to be mine, no matter how I try

          

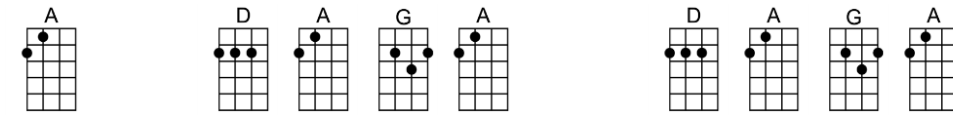

You ne - ver walk a - lone, and you're forever talkin' on the phone

         

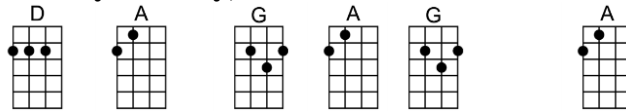

I've tried to call you names, but every time it comes out the same
