Pardon the smile on my face, my friend,

Dreamin' of reachin' my journey's end

I'm headin' straight for my heart's de-sire,

Gee, it's good to know I'm near the home fire

All of the folks that I love are there,

I got a date with my favorite chair

   

With every step, every hope grows higher,

  

Didn't know how much I missed the home fire

p.2. The Home Fire

The noises, the TV, the rusty old pipes, the cat always teasin' my dog

The neighbors, the quarrels, the screaming of kids,

For the first time in years, I'll sleep like a log

Heaven is waiting for me, my friend,

Seven or eight dreams a-round the bend

And if you're ever in town, in-quire,

We'll be glad to have you share the home fire

We'll be glad to have you share the home fire
