

# IF WE ONLY HAVE LOVE<sub>(BAR)</sub> m.Jacques Brel

4/4 1234 1 (Slowly)

w. Eric Blau and Mort Shuman

**Intro:**   **X2**

If we only have love then tomorrow will dawn

And the days of our years will rise on that morn'

If we only have love to embrace without fears

We will kiss with our eyes, we will sleep without tears

If we only have love with our arms open wide

Then the young and the old will stand at our side

If we only have love, love that's falling like rain

Then the parched desert earth will grow green a-gain

   

If we only have love for the hymn that we shout

   

For the song that we sing, then we'll have a way out.

**p.2 If We Only Have Love**

**If we only have love, we can reach those in pain**

**We can heal all our wounds, we can use our own names**

**If we only have love, we can melt all the guns**

**And then give the new world to our daughters and sons**

**If we only have love then Jerusalem stands**

**And then death has no shadow, there are no foreign lands**

**If we only have love, we will never bow down**

**We'll be tall as the pines, neither hero nor clown**

**If we only have love, then we'll only be men**

**And we'll drink from the grail, to be born once a-gain**

**Then, with nothing at all, but the little we are**

**We'll have conquered all time, all space, the sun,**

**And the stars.**
