# IF YOU WANT THE RAINBOW<sub>(BAR)</sub>

4/4 -Oscar Levant/Mort Dixon/Billy Rose

What does it matter if rain comes your way, and raindrops patter all day?

The rain descending should not make you blue. The happy ending is waiting for you

Take your share of trouble, face it and don't complain

If you want the rainbow, you must have the rain.

Happi-ness comes double after a little pain

If you want the rainbow, you must have the rain.

What if your love affair should break up, as they sometimes will

When you kiss and make up, oh, what a thrill!

Sadness ends in gladness, showers are not in vain

1. If you want the rainbow, you must have the rain. (repeat song)

2. If you want the rainbow, you must have the rain.

If you want the rainbow, you must have the rain
