Intro: |  |  |  |  |  |

    

I hate to lose you, I'm so used to you now. Still, I ex-cuse you for breaking your vow

   

Just like the sunlight, I've found I'm used to havin' you 'round

 

You're all I've ever been thinkin' of, who am I gonna love, now that you've turned me down?

    

Just like the rose, dear, that's used to the sun, its petals close, dear, when summer is done

  

And I'm so used to your kisses, all the others seem strange

     

Used to your lovin', and I don't wanna change. I hate to lose you, I'm so used to you now.
