```
        A7              D              A7              D
I have a dream, a song to sing, to help me cope with any-thing
            A7              D                    A7              D
If you see the wonder of a fairy tale, you can take the future, even if you fail
            A7                      G           D
    I believe in angels, something good in everything I see
                A7                  G           D
    I believe in angels, when I know the time is right for me
                A7              D
    I'll cross the stream - I have a dream

        A7          D              A7          D
I have a dream, a fanta-sy, to help me through reali-ty
            A7                      D
And my desti-nation makes it worth the while
                    A7                  D
Pushing through the darkness still another mile
                    A7                      G           D
    I believe…..in angels, something good in everything I see
                A7                  G           D
    I believe in angels, when I know the time is right for me
                A7              D
    I'll cross the stream - I have a dream

        A7              D              A7              D
I have a dream, a song to sing, to help me cope with any-thing
            A7              D                    A7              D
If you see the wonder of a fairy tale, you can take the future, even if you fail
                A7                  G           D
    I believe…..in angels, something good in everything I see
                A7                  G           D
    I believe in angels, when I know the time is right for me
                A7              D
    I'll cross the stream - I have a dream
                    A7              (D)
    I'll cross the stream - I have a dream
