I HONESTLY LOVE YOU_(BAR)-Peter Allen/Jeff Barry

4/4 1...2...1234

Maybe I hang around here a little more than I should

We both know I got somewhere else to go

But I got somethin' to tell you that I never thought I would

And I believe you really ought to know

I love you.

I honestly love you

You don't have to answer. I see it in your eyes. Maybe it was better left un-said

This is pure and simple, and you should realize

That it's comin' from my heart and not my head

I love you.

I honestly love you

p.2. I Honestly Love You

I'm not tryin' to make you feel un-comfortable

I'm not tryin' to make you anything at all

But this feeling doesn't come along everyday

And you shouldn't blow the chance, when you've got the chance to say

I love you.

(I love you)

I honestly love you

If we both were born in an-other place and time

This moment might be ending in a kiss

But there you are with yours, and here I am with mine

So I guess we'll just be leavin' it at this

I love you.

I honestly love you.

I honestly love you
