Intro: |  |  |  |  | **(X2)**

Why do robins sing in De-cember,  **long before the Springtime is due?**      

And, even though it's snowing, violets are growing, I know why, and so do you           

Why do breezes sigh every evening,      **whispering your name, as they do?**  

And, why have I the feeling, stars are on my ceiling, I know why, and so do you        

When you smile at me, I hear gypsy vio-lins      

When you dance with me, I'm in heaven when the music be-gins         

I can see the sun when it's raining,      **hiding every cloud from my view**  

And, why do I see rainbows when you're in my arms? I know why, and so do you           

Interlude:        

And, why do I see rainbows when you're in my arms? I know why, and so do you           

I know why, and so do you
