

SING A

I SHOULD CARE_(BAR)-Cahn/Stordahl/Weston

4/4 1...2...1234

Intro: |  |  |  |  |  |

I should care, **I** should go a-round weeping.

I should care, **I** should go without sleeping

Strangely enough, I sleep well, **'cept for a dream or two**

But then I count my sheep well. **Funny how** sheep can lull you to sleep

So, I should care, **I** should let it up - set me.

I should care, **but it just doesn't** get me

Maybe I won't find someone **as lovely as you,** **but I** should care, and I do

Interlude:

I should care, **but it just doesn't** get me

Maybe I won't find someone **as lovely as you,**

But I should care, and I do, **and I** do
