

# ISLAND IN THE SUN - Harry Belafonte

4/4 1...2...1234

-Irving Burgie

This is my island in the sun, where my people have toiled since time begun

I may sail on many a sea, her shores will always be home to me

Oh, island in the sun, willed to me by my father's hand

All my days I will sing in praise of your forest waters, your shining sands

As morning breaks the heaven on high, I lift my heavy load to the sky

Sun comes down with a burning glow, mingles my sweat with the earth be-low

## CHORUS

I see woman on bended knee, cutting cane for her family

I see man at the water side, casting nets at the surging tide.

## CHORUS

**p.2. Island In the Sun**

**I hope the day will never come, when I can't awake to the sound of drum**

**Never let me miss carnival, with cal-ypso songs philo-sophi-cal**

**Oh, island in the sun, willed to me by my father's hand**

**All my days I will sing in praise of your forest waters, your shining sands**

**All my days I will sing in praise of your forest waters, your shin.....ing sands**
