C          Em    F                      G7          C    Em  F
I started a joke,    which started the whole world crying
   G7        C  Em  F          G7          C  Em     F  G7
But, I didn't see        that the joke was on me,       oh no

C          Em    F                      G7          C    Em  F
I started to cry,    which started the whole world laughing
      G7        C  Em  F          G7          C
Oh, if I'd only seen        that the joke was on me

   Am              Em                   F              C
   I looked at the skies, running my hands over my eyes
      Em           Am  Am7   Dm7                     G7
   And, I fell out of bed, hurting my head from things that I'd said

   C          Em    F                      G7          C    Em  F
Till I finally died,    which started the whole world living
      G7        C  Em  F          G7          C
Oh, if I'd only seen        that the joke was on me

   Am              Em                   F              C
   I looked at the skies, running my hands over my eyes
      Em           Am  Am7   Dm7                     G7
