

IT'S GREAT TO BE ALIVE - Johnny Mercer/Robert Dolan

4/4 1...2...123 (without intro)

It's great to be alive, to work from nine to five, to have a piece of land to farm

It's great to be alive. to have a car to drive, and have your baby on your arm

In spite of bills and other minor ills, some-how we manage to sur-vive

It's great to be in love. to have a roof above, and watch the little ones ar-rive

Your own des-cendants, de-ductible dependents, It's great to be a-live

p.2. It's Great To Be Alive

In spite of bills

and other minor ills

(Even though the bills just pile up by the millions, wait!)

Some-how

we manage

to sur-vive

(We manage to find the proper pills to lose the little ills, straight, that really is great)

It's great to be in love,

to have a roof above

(That gal to love you)

(That roof above you)

To watch the

little ones ar-rive

(Especially with the little ones arrivin' and all that jive)

Your own des-cendants

de-ductible dependents

(Your descendants)

(In attendance)

It's great, it's great to be

a - live.

We're livin', thanksgivin'.

It's great to be a-live
