

# I'VE GOT A CRUSH ON YOU (BAR)-George & Ira Gershwin

4/4 1...2...1234

How glad the many millions of Annabelles and Lillians would be to capture me  
(Toms and Dicks and Williams)

But you had such per-sistence, you wore down my re-sistance

I fell and it was swell

I'm your big and brave and handsome Rome-o  
(You're my)

How I won you I shall never never know

Its not that you're at-tractive but, oh, my heart grew active

When you came into view

I've got a crush on you, sweetie pie, all the day and night-time hear me sigh

I never had the least notion that I could fall with so much e-motion

Could you coo, could you care, for a cunning cottage we could share

The world will pardon my mush, 'cause I have got a crush on you
