Intro: |  |  |  |  |

When I think back on all the crap I learned in high school

It's a wonder I can think at all

And, though my lack of edu-cation hasn't hurt me none, I can read the writing on the wall

Koda-chrome, they give us those nice bright colors

They give us the greens of summers, makes you think all the world's a sunny day, oh yeah

I got a Nikon camera, I love to take a photo-graph,

So, mama, don't take my Kodachrome a-way

If you took all the girls I knew when I was single,

And brought them all to-gether for one night

       

I know they'd never match my sweet imagi-nation. And everything looks worse in black and white

p.2. Kodachrome

Koda-chrome, they give us those nice bright colors

They give us the greens of summers, makes you think all the world's a sunny day, oh yeah

I got a Nikon camera, I love to take a photo-graph,

So, mama, don't take my Kodachrome a-way

Mama, don't take my Kodachrome a-way (X3)

Mama, don't take my Kodachrome, Mama, don't take my Kodachrome

Mama, don't take my Kodachrome away

Mama, don't take my Kodachrome, and leave your boy so far from home

Mama, don't take my Kodachrome away

Mama, don't take my Kodachrome, ooo.....

Mama, don't take my Kodachrome away
