**Intro:** |   |   |

**Lazy moon, come out soon, make my poor heart beat warmer**

**Light the way, bright as day, for my sweet little charmer**

**She's to meet me in the lane tonight, if the sky is bright and clear**

**Oh, moon, don't keep me waiting here tonight**

**Watching and waiting, heart a-palpi-tating, longing for my lady love so dear - ly**

**Lazy moon, lazy moon, why don't you show your face above the hill**

**Lazy moon, come out soon, you can make me happy, if you will**

**Now, when my lady sees your face a-peepin',**

**That's when I know her promise she'll be keepin'**

**Tell me, what's the matter, are you sleepin'? La - zy moon.**
