LET MY LOVE OPEN THE DOOR_(BAR)-Pete Townshend

4/4 1...2...1234

Intro: |  |  |  | (X4)

When people keep re-peating that you'll never fall in love

When everybody keeps re-treating, but you can't seem to get e-nough

Let my love open the door, let my love open the door

() X4

Let my love open the door to your heart

When everything feels all over, everybody seems un-kind

I'll give you a four-leaf clover, take all worry out of your mind

Let my love open the door, let my love open the door

() X4

Let my love open the door to your heart

p.2. Let My Love Open the Door

I've got the only key to your heart, I can stop you from falling apart

Try today, you'll find this way, come on and give me a chance to say

Let my love open the door. It's all I'm living for

Re-lease yourself from misery. There's only one thing gonna set you free

That's my love That's my love

Let my love open the door, let my love open the door

Let my love open the door, let my love open the door

When trage-dy be-falls you, don't let it drag you down

Love can cure your problems. You're so lucky I'm a-round

Let my love open the door, let my love open the door

Let my love open the door to your heart to your heart to your heart to your heart
