INTRO:

In my loneliness, when you're gone and I'm all by my-self and I need your ca-ress

I just think of you, and the thought of you holding me near makes my loneliness soon disap-pear

Though you're far away, I have only to close my eyes and you are back to stay

I just close my eyes, and the sadness that missing you brings

Soon is gone and this heart of mine sings

Yes, I love you so, and that for me is all I need to know

I will wait for you 'til the sun falls from out of the sky, for what else can I do?

I will wait for you, medi-tating how sweet life will be when you come back to

Me.....

Medi-tating how sweet life will be when you come back to me.
