

MOONGLOW - Hudson/Mills/DeLange

4/4 1234 1

Intro:

(1,2) It must have been Moonglow way up in the blue

It must have been Moonglow that led me straight to you.

I still hear you saying, " Dear one hold me fast."

And I start in praying: oh Lord, please let this last.

We...seemed to float right thru the air,

Heavenly songs seemed to come from eve - ry -where.

And now when there's Moonglow way up in the blue,

I'll always remember that Moonglow gave me you.
