

MY FOOLISH HEART

4/4 1...2...1234

INTRO:

The night is like a lovely tune, be-ware my foolish heart!

How white the ever constant moon; take care my foolish heart!

There's a line between love and fascin-ation that's hard to see on an evening such as this,

For they both give the very same sen-sation when you're lost in the magic of a kiss

His lips are much too close to mine, be-ware my foolish heart,

But should our eager lips combine then let the fire start

For this time it isn't fascin-ation, or a dream that will fade and fall a-part

It's love this time, it's love my foolish heart.

It's love this time, it's love my foolish heart.
