

SING C#

# MY LIFE - Billy Joel

4/4 1...2...1234

**Intro:** |  | (X3) |       | (X3)

|   |   |  | (X2)

Got a call from an old friend, we used to be real close.

Said he couldn't go on, the American way

Closed the shop, sold the house, bought a ticket to the West Coast

      X2

Now he gives them a stand-up routine in L.A.

I don't need you to worry for me, 'cause I'm alright

       X2

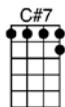

I don't want you to tell me it's time to come home

I don't care what you say anymore, this is my life

 

Go ahead with your own life, and leave me a-lone

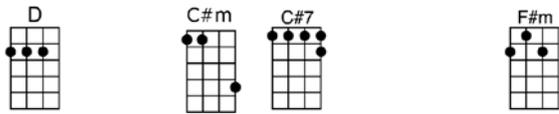

**Bridge:**

I never said you had to offer me a second chance,

I never said I was a victim of circumstance

I still be-long, don't get me wrong,

And you can speak your mind, but not on my time

They will tell you you can't sleep alone in a strange place

**E7** A Asus A Asus A Asus

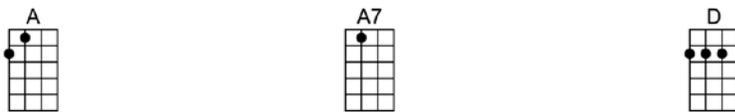

Then they'll tell you you can't sleep with somebody else

Ah, but sooner or later you sleep in your own space,

Either way it's okay, you wake up with yourself X2

I don't need you to worry for me, 'cause I'm alright

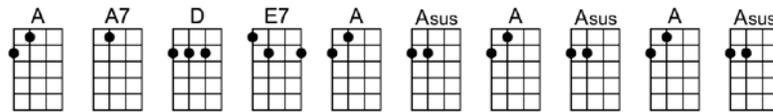

I don't want you to tell me it's time to come home

I don't care what you say anymore, this is my life

Go ahead with your own life, and leave me a-lone  
(Bridge)

**Instrumental:**

I don't care what you say anymore, this is my life

Go ahead with your own life, and leave me a-lone (keep it to yourself, it's my life)

Repeat last 4 measures and fade

# MY LIFE-Billy Joel
